candidate, that she is the Governor's appointment and, therefore, unless there is something specifically wrong, that she should be confirmed. Don't be afraid to send Mrs. Dahlquist back to the Committee on Committees for investigation, when you feel that she is as qualified as you have stated on this floor. You should want that investigation to confirm in the record that she is what we believe she is. Is there any cloud going to hang over Mrs. Dahlquist's head as a member of the state parole. I would prefer that there be none. I would prefer that your Committee on Committees is a leader in this question of confirmation of these appointment candidates. Footnote, Kelly intends to vote for confirmation of Mrs. Dahlquist.
